Point.Shoot. Produce.

It's that easy.

Consumers Health Forum and Cinefly are offering you free access to the Cinefly App and Storyboards to capture your Big Idea. Winners will share their idea with ABC TV Journalist, Ellen Fanning,* in a Big Ideas Forum at the CHF Summit: Shifting Gears 18 – 19 March 2021.

The best ideas will also be promoted through CHF's advocacy work.

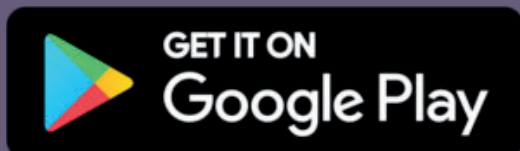

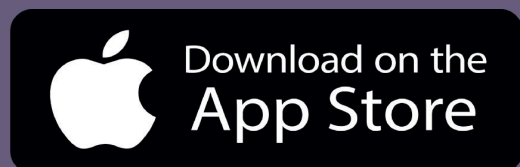

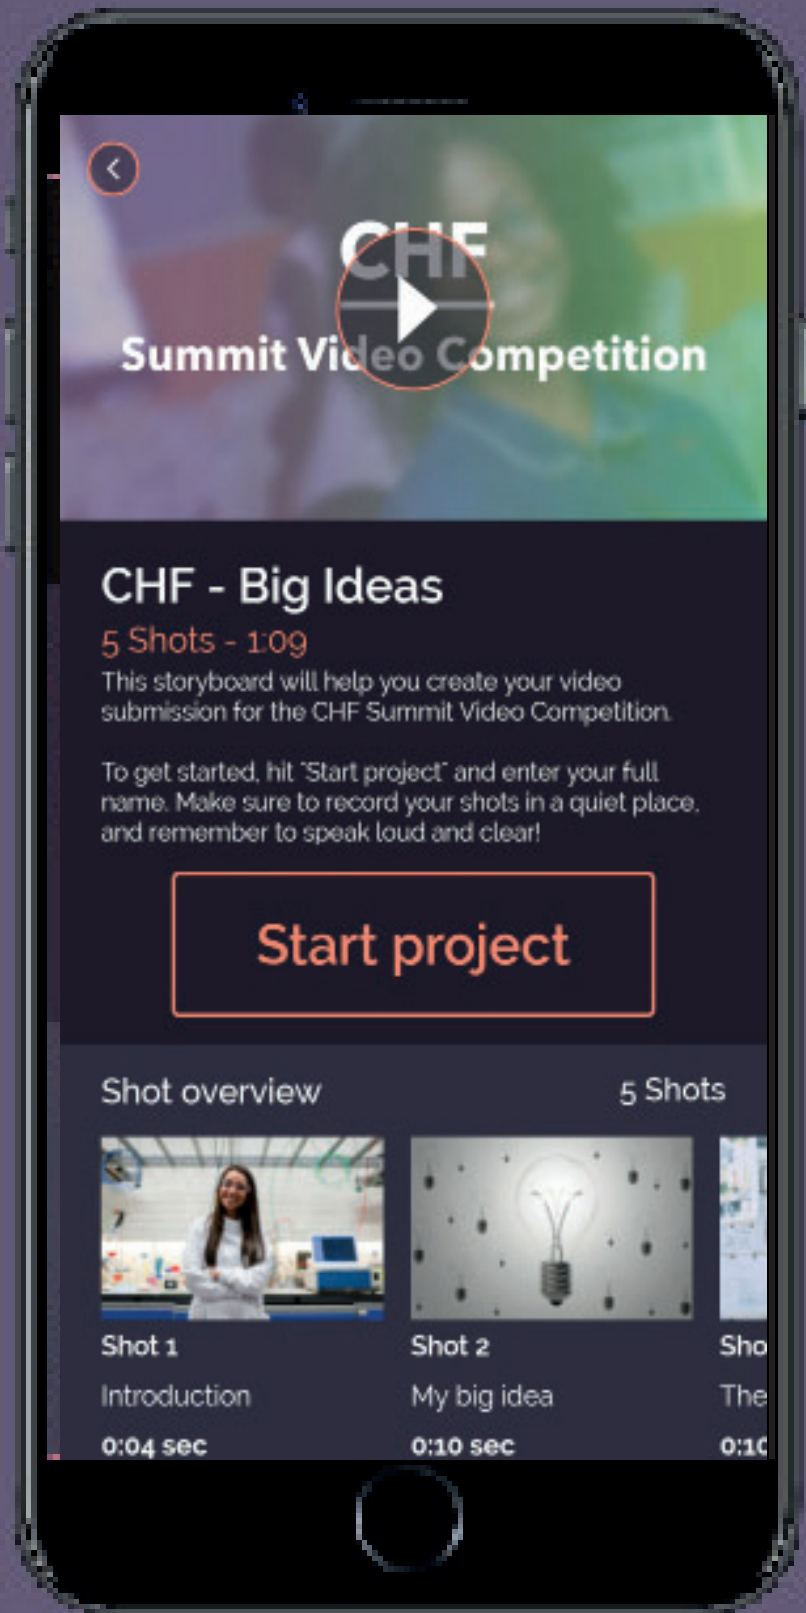

Follow the Storyboard's Directors Guides, point, shoot and produce a video in minutes. A selection of videos will be showcased across CHF's social media channels.
